Bonjour !

Dear guests,  
Welcome to our cottage,  
La Parenthèse des Guillonnières!  
We hope you have a wonderful stay in  
Amboise and enjoy discovering the beauty  
of our region, as well as its rich historical and  
cultural heritage.

# About THE CITY

Nestled in the heart of the Loire Valley, Amboise is much more than just a tourist stop: it is a true immersion into the elegance of the French Renaissance. Often called the "Royal City," it offers an enchanting setting where history is etched into every tuffeau stone wall.

Beyond its heritage, Amboise charms visitors with its unique way of life. Strolling through its pedestrian streets, you will discover local artisans, cozy tea rooms, and, of course, the famous Sunday morning market—one of the most beautiful and vibrant in the region.

From tasting AOC Touraine-Amboise wines to cycling along the banks of the Loire (a UNESCO World Heritage site), the city perfectly embodies the balance between culture and serenity.

## CITY HIGHLIGHTS:

- **The Royal Château of Amboise:** Overlooking the Loire River, this was the residence of Kings Charles VIII and Francis I. Its chapel is now the final resting place of the genius Leonardo da Vinci.
- **The Clos Lucé:** It was here, in this pink-brick manor, that Leonardo da Vinci spent the last three years of his life. The park offers an interactive immersion into his visionary inventions.
- **The Royal Domain of Château Gaillard:** A more intimate treasure, famous for hosting the first Renaissance gardens in France and its renowned orange groves.

## **Not to be missed !**

**Market Square:** One of the most beautiful and largest markets in the region, set right along the banks of the Loire. A true French cultural ritual, this market is where locals gather every week to buy fresh, seasonal products, support small producers and artisans, and catch up with their neighbors. More than just a place to shop, it is a celebration of the French art de vivre.

- Every Friday morning (90 vendors)
- Every Sunday morning (200 vendors)
